SDDP Carries on World Ag Expo Tradition:

SDDP along with the SDSU Dairy Science worked the South Dakota Dairy Drive exhibit at the World Ag Expo in Tulare, California held February 8th through the 10th. SDDP’s Chair Marv Post and ED Peterson along with SDSU Dairy Science Student Recruiter Lane Speirs interacted with many attendees at the show and once again were truly impressed with the reputation South Dakota has as a dairy state, and also as a recognized excellent state to do business in. THANK YOU to many industry partners who made this promotion possible!
